Please remember W-2's cannot be issued until we have this information. This letter must be signed and returned by November 15, 2018, only if you filled in item 5 above. Please mail this to us with your monthly work or you can fax it to the number below. If we don't receive a response by this date we must assume there was no personal use of a business vehicle for the year.

Please make additional copies of this form if you have more than one employee using a company owned vehicle and fill out a separate form for each employee.
